

# As you find your seat: Read and Discuss

## Read

Reading Results partners with schools to support students from systemically excluded communities in becoming successful readers. We believe that literacy is a basic human right, and we work to increase access and break down barriers through supporting students with an effective, individualized, culturally responsive reading intervention program.

## Discuss

- What is one word or phrase that stands out to you?  
Why?
- What feels hopeful about this statement? What feels hard?
